Dear Mr. Frye:

Thank you so much for the very generous contribution in the amounts of \$4,000.00 for 2 scholarships to students in a mining or mining related program. Scholarships are very important to our student population and these scholarships will continue to be very beneficial to our students who are pursuing a college education in helping them afford that education.

Your commitment to and belief in the mission of Hazard Community and Technical College is a wonderful tribute to our college that we are very grateful for. On behalf of the faculty, staff and especially the students at HCTC, thank you so much for your generosity.

Again, thank you so much for your generosity.

Sincerely,

Dr. Jennifer Lindon
