Dear Mr. Frye:

Thank you so much the most recent contribution in the amount of \$3,500 to our scholarship fund for a deserving student in one of our coal related programs. Scholarships are so important to our students and this scholarship is helping us meet the needs of these students at Hazard Community and Technical College.

The continued commitment of the North Carolina Coal Institute and your belief in the mission of our college is a wonderful tribute that we are very grateful for. On behalf of the faculty, staff and especially the students at HCTC thank you so much for your generosity.

Sincerely,
