Joe Frye, Jr.
c/o NC Coal Institute
2509 Rosalind Avenue
Roanoke, VA 24014

Dear Mr. Frye,

With the fall semester well past us, Madisonville Community College recently distributed student scholarship awards for the 2020-2021 school year. Without donors like you, MCC would not have been able to allocate over \$200,000 in private gift scholarships to over 140 students requesting assistance so far this year.

We are pleased to inform you that the North Carolina Coal Institute Scholarship award of \$2,000 has been allocated to Aaron Watts for the spring semester. We are greatly appreciative of your commitment to the college. MCC students succeed, in part, thanks to your generosity you have shown to our educational institution.

Aaron is a Mining Technology student at MCC and works as a Section Foreman at the Riverview Coal Mine owned by Alliance Resource in Union County. We hope this gives you some insight to the student you were able to assist this year and realize the impact you are making by investing in their education.

If you have any questions or concerns, please contact me or Diana Hight at 270-824-8595 or via email at raegina.scott@kctcs.edu anytime.

Again, thank you for providing this gift and for your continued support of Madisonville Community College and our students. We appreciate you and your commitment to assisting with the future educational needs of our community.

Sincerely,

Raegina Scott
