Greetings NCCI members:

It is our pleasure to send you the registration information for the 2010 Fall Education and Engineering Seminar of NCCI – The Coal Institute. The meeting will be held October 20-21, 2010, at Mid-Pines Resort in beautiful Southern Pines, North Carolina. The Education and Engineering Committee has planned an excellent program.

Please join us as we learn from our industry executives about issues facing coal producers and the changes in the world coal market. Our speakers will cover operational and regulatory issues as well as current and future market opportunities for US steam coal. Our excellent panel will then discuss a wide range of current day topics in the coal industry. As always, an important part of this meeting will be the installation of officers for the 2010-2011 year following dinner on Thursday evening.

The registration fee for Members is \$235.00 per person and Non-Members is \$360.00 per person, which includes the seminar fee and cocktail parties for Wednesday and Thursday nights. Golf fees will be \$115.00, which includes prizes, green fees, cart, bag handling and range balls. Please indicate your intention to play on the conference registration form and enclose relevant fees. Also, email Donnie Peake with your tournament pairing by October 14th. (dpeake@scana.com)
