Mr. Joe Frye, Jr.
FMR Transportation Solutions, Inc.
3959 Electric Road, Suite 207
Roanoke, VA 24018

Dear Mr. Frye:

On behalf of the faculty & staff, I would like to thank the North Carolina Coal Institute for making an investment in the future of Penn State Fayette, The Eberly Campus. The organization's recent gift of \$2,000 to support a scholarship in the pre-engineering program at our campus is essential to our ability to provide an outstanding educational opportunity – a Penn State education - to the people of our region.

Your continued support is deeply appreciated not only by the students, but also by the entire Penn State Fayette campus community.

Sincerely,

Lori A. Omatick
Director of Development
