Come join us in sunny South Carolina for the Golden Jubilee of The Coal Institute's 2021 Summer Trade Seminar! We are pleased that we will be having one of the industry's first in-person conferences as we return to normal. In addition to learning from industry experts, there will be opportunities to network with your business counterparts on the golf course, the beach, or by the pool. This is an event that is suitable for the entire family. We are sure you will have a blast at this year's Summer Trade Seminar and encourage you to bring your co-workers, family and friends. We look forward to being with everyone in sunny South Carolina.

Member Registration fees are \$500 for individuals or \$650 for families must be received by **July 1, 2021**. Non-Member registration fees are \$700 for individuals and \$850 for families.

Celebrating 75 Years 1946-2021

Dear Coal Institute Members:

The Summer Trade Seminar will celebrate its 50th Golden Jubilee Anniversary this year and is fast approaching. Your help is once again requested regarding sponsorship! This event continues to be one of the premier meetings in the coal industry, and with its tradition of mixing family fun with business, it is second to none. However, this event does not happen without the hard work of a group of dedicated volunteers, and without the support from you, our members and sponsors.

As you may know, we are coming off a difficult time for the Institute. In 2020, we were forced to hold the STS and Fall Meetings virtually for the first time, and we made the difficult decision to cancel the 2021 Spring Meeting. This caused a substantial financial challenge and forced the Institute to reduce the amount of revenue available for our educational funding program. To maintain a reasonable balance between a first-class seminar at a fair price, the reduced revenue from the past fiscal year, and the increasing costs of the STS, we need your ongoing generosity. The sponsorship funds you provide not only benefit the STS; they also support The Coal Institute's scholarships and support of related coal education programs. We respectfully request that you consider providing a minimum contribution of \$750.00. Please note that we are grateful for any financial assistance that you may offer.

As in the past we have some creative sponsorship opportunities including the Diamond Anniversary and Golden Jubilee sponsorships. Please review the following information for all the details related to Sponsorship for this summer's meeting.

As always, we thank you in advance for considering sponsorship of this event. My Co-Chair Joe Frye and I look forward to seeing you in Myrtle Beach!!!!

Tim Carr
Chair of the Sponsorship Committee
